EDUCATION

Bachelor / Graphic majoring

Hamed Shahbazkhan

Summary

My passion for work that leads to excellent and client-approved results is one of my interests as a graphic designer. The challenges and market competition have allowed me to gain valuable skills and experiences over 20 years by working on several projects with institutions, organizations, companies, and advertising agencies.

Creating concepts, brainstorming ideas, and having a deep understanding of visual designs, the design process, and branding a product or company have been among my capabilities and strengths throughout these years. Alongside experts and individuals with knowledge in this field, I have been able to effectively develop these skills based on the needs of clients and the market.

Qualification

- Ability to implement group projects
- Skill and implementation of an idea efficiently
- Ability to work in a team and communicate effectively with people
- Ability to quickly learn and practice a profession to improve
- Eagerness to learn modern software and skills according to personal professional needs
- Ability to perform tasks under low pressure conditions
- Exceptional ability to maintain good relations with both internal and external customers
- Amazing communication and customer service skills
